PANTERA Nano-Workshop Smart Grid Research Data

22nd February 2021 (14:00-15:30 GMT)

Dr. Paula Carroll,

University College Dublin, Ireland

© The PANTERA Consortium
EU H2020 Programme GA No. 824389

Etiquette Reminders

1. This session is being recorded;
2. Participants, please stay muted with your camera off;
3. Please add your questions using the chat;
4. Use a gallery view to see all the attendees. Switch to speaker view for the presentations.

Outline

1. Introduction (Facilitator Dr Paula Carroll, UCD Energy Institute)
2. **Prof Eleni Mangina**, UCD Energy Institute, *“Why Machine Learning Needs Data to unlock the Potential of Smart Grids.”*
3. **Jim Scheer**, Sustainable Energy Authority of Ireland *“Unlocking energy data to achieve decarbonisation targets.”*
4. **Dr Stephen Donoghue**, *“Commercial and Legal Difficulties for Data Sharing in Energy Markets”*
5. **Dr Venizelos Efthymiou**, FOSS, *“PANTERA opportunities for data sharing via EIRIE platform.”*
6. Open Discussion - Next Steps.

Thank you!
